

## **A Bat Mitzvah” Mitzvah Project”!**

In addition to participating in the NACOEJ Bar & Bat Mitzvah Twinning Program, Sarah and Hillary Teichman collected school supplies for the Limudiot program in Israel. Sarah and Hillary made school supplies the centerpieces of the tables at their party, decorated the room with Ethiopian embroideries, and made NACOEJ program materials available to everyone.

We hope to use Sarah and Hillary’s enthusiasm about these programs as an example to the many other Bar & Bat Mitzvah and School Supplies program participants to help them adopt fundraising projects benefiting NACOEJ programs for Ethiopian-Israeli children into their simcha celebrations.
